

## **Mujahid's Commute from Wartenberger Str. 40, 13053 Berlin to Scaling Spaces - Willner Brauerei, Berliner Str. 80, 13189 Berlin:**

---

### **Step-by-Step Breakdown:**

- 1. Starting at Wartenberger Str. 40:**  
Mujahid begins his journey from Wartenberger Str. 40, where he first walks for about 2 minutes, covering a short distance of around 110 meters. His goal is to reach the nearest tram stop, Anna-Ebermann-Str..
- 2. Catching the M5 Tram:**  
At Anna-Ebermann-Str., Mujahid boards the M5 tram, which is headed towards Hackescher Markt. He rides this tram for about 10 minutes, passing through 8 stops. Mujahid then gets off at Hohenschönhauser Str. to continue his trip.
- 3. A Short Walk:**  
After exiting the tram at Hohenschönhauser Str., Mujahid takes a short 3-minute walk to the next tram station. This walk is part of the seamless connection between tram routes that take him closer to his destination.
- 4. Boarding the M13 Tram:**  
Once Mujahid reaches Hohenschönhauser Str., he catches the M13 tram, this time going towards Wedding, Virchow-Klinikum. During this leg of the trip, Mujahid remains on the tram for about 17 minutes, passing through 12 stops. He eventually gets off at Berlin, Schönhauser Allee/Bornholmer Str..
- 5. Final Walk to Scaling Spaces:**  
After getting off at Schönhauser Allee/Bornholmer Str., Mujahid walks for another 3 minutes, covering approximately 280 meters. This final walk brings him to his destination at Scaling Spaces - Willner Brauerei.
- 6. Arriving at Scaling Spaces:**  
Mujahid finally arrives at Scaling Spaces - Willner Brauerei, Berliner Str. 80 in Berlin. This is the end of his regular commute, and he is ready to start his workday.
